

## My Big Day Drinking Rules:

### Take One Drink Every Time...

- Ellen calls Clark "Sparky"
- Someone is wearing an ugly holiday sweater
- There is singing or bells shaking
- The swimming pool is referenced
- Clark is wearing a sports team article of clothing

### Additional Rules:

- The entire group takes a drink whenever an advent calendar door is opened.
- You must yell "Shitter's Full!" any time you leave to use the restroom, otherwise you must finish your beer when you return.
- The first person to say "Get me somebody! And get me somebody while I'm waiting!" when Frank Shirley appears on screen for the first time chooses a person to finish their drink.
- The first person to stand up & fully complete the "*knock on the door, peek in...*" correctly WITH hand gestures during that scene gives two drinks.
- At any point in the movie, you can point to someone & yell "RUSS!" If they do not respond with "Right here, dad" they must take a drink (max once per person, this could get out of control).
- Anytime someone misquotes a line in the movie, they have to wear the Santa hat until it gets passed to the next person.
- When the movie is over, the last person wearing the Santa hat has to shotgun a beer & finish by saying "Ahh, *It's good, It's good. It's good.*"
